

INDIVIDUAL BELGIAN INSTITUTIONS/UNIVERSITIES AND THEIR ACTIONS FOR UKRAINIAN STUDENTS AND STAFF

University of Antwerp

The University of Antwerp stands shoulder to shoulder with the victims of the Russian war violence in Ukraine. UAntwerpen wants to offer the support that is needed, both to Ukrainian universities and to members of the Russian academic community who strongly disapprove the aggression against Ukraine.

At the moment, there is a great need for the reception of war refugees from Ukraine. UAntwerpen is setting up a fund to provide shelter and assistance close by, to students, academics and their families.

Free University of Brussels

VUB takes action and supports students from Ukraine to allow them to continue their studies. Student-refugees who cannot return to Ukraine and wish to continue their studies at the VUB, will get this opportunity offered. Russian students who have undesirably become victims of this war, will as well be offered the necessary support.
