

EMIM 2026 | 24 - 27 March

Ljubljana, Slovenia

THE MEETING

The European Molecular Imaging Meeting 2026 is the 21st annual meeting of the European Society for Molecular Imaging (ESMI). The EMIM 2026 will take place from 24 to 27 March in Ljubljana, Slovenia – www.emim.eu.

GOING GREEN

With consideration for the environment and our ecological footprint, please help to reduce waste and resources. Consider carefully any material you'll bring and present at your booth. This includes give-aways, hard-copy flyers, (no) carpet etc.

EXHIBITION LOCATION & SET-UP

The exhibition will take place in the Grand Reception Hall, at the centre of EMIM. As the exhibition area cannot be closed off, all booths must be fully set up before participant access, and dismantling may only begin after the final session. Mandatory delivery and set-up: Monday, 23 March 2026 (09:00–21:00).

Exhibitors are encouraged to staff their booths starting Tuesday, 24 March. A Welcome Cocktail will take place on Tuesday, 24 March at 19:00, in the Grand Hall, immediately following the Opening Ceremony.

Due to limited space, Silver booths are separated by shell-scheme walls. Larger booths (Platinum, Gold) will be marked with decorative tape according to the booked space (no shell-scheme!).

Each exhibition package includes:

- 1 table (Gold/Platinum: 120x75 cm, black tablecloth; Silver: 120x44, no tablecloth)
- 2 chairs
- Basic power supply (16A, multi-socket)

120x75 cm

120x44 cm

If you require a different number of tables or chairs or none, please contact office@e-smi.eu.

SHIPPING / DELIVERY / STORAGE

Please strictly follow the specified dates, times, delivery address, and labelling instructions as outlined on the right-hand side. The only delivery date to the venue is Monday, 23 March 2026. Directions and delivery instructions are provided in the attached map.

If your equipment arrives before Monday, 23 March 2026, or needs to be stored beyond Friday, 27 March 2026, storage and delivery must be arranged with the official forwarding agent of Cankarjev dom Congress Centre: Schenker d.d. (see right hand side for contact).

Please inform your staff or logistics provider that no forklift or on-site support staff will be available, and plan deliveries and set-up accordingly!

Deliveries must be made directly to the booth. Once booth set-up is complete, all empty packaging and materials must be removed and taken to the designated storage area by the exhibitor.

INTERNET & QR CODE READER / PARTICIPANT CONTACTS

Free wifi access is available for all participants. Each participant badge includes a QR code. Using any standard QR code reader, exhibitors may scan the code to access the participant's name, email address, and affiliation (subject to participant consent).

No other lead retrieval system is provided.

In accordance with data protection regulations, no participant lists or contact details will be shared with third parties, unless participants have explicitly agreed to share their data with exhibiting companies or have registered for a dedicated industry session or symposium.

IMPORTANT: For all restrictions, directions, electrical information, and safety instructions, please refer to the enclosed "General Terms & Conditions" of the congress centre.

EMIM 2026 VENUE / SHIPPING ADDRESS

Deliveries will only be accepted on Monday 23 March 2026.

**Cankarjev dom Congress Centre
(Entrance 1)
Prešernova cesta 10
1000 Ljubljana, Slovenia**

(For access and directions refer to the General Terms & Conditions by the congress centre)

DEDICATED EXHIBITION HOURS

The exhibition area is accessible for all participants during the entire duration of the EMIM.
There are dedicated exhibition hours (breaks) indicated in the programme:

Tuesday 24 March 2026

Session start: 08.30h

Lunch Break at 12.00h

The Opening Ceremony is scheduled for 17.45h followed by the Welcome Cocktail in the Grand Hall starting at 19.00h.

Wednesday 25 March 2026

Session start: 08.30h

Coffee Break at 11.00h

Lunch break at 13.30h

Coffee Break at 16.00h

Thursday 26 March 2026

Session start: 08.30h

Coffee Break at 11.00h

Lunch Break at 13.30h

Coffee break at 17.00h

Friday 27 March 2026

Session start: 09.30h

(Early) Lunch Break at 11.00h

We are aware that exhibition from Tuesday to Friday is quite a long time.
It is certainly possible to take a break.

The detailed programme of the EMIM 2026 can be found at
<https://www.eventclass.it/emim2026/online-programm>

DISMANTLING / EXHIBIT REMOVAL DATE

Friday 27 March 2026

from about 14.00h to 19.00h.

Earlier dismantling is not possible.

RESHIPMENT / COLLECTION

Reshipment/collection must be arranged for

Friday 27 March 2026

from 14.00h onwards until 19.00h. In case your booth material can only be reshipped or collected later than 27 March, you must arrange collection and storage with the official forwarding agent of Cankarjev dom (see above for contact at Schenker d.d.)

DISMANTLING / RESHIPMENT

Dismantling may begin on Friday, 27 March 2026 once the final session has ended (approx. 14:00). Each exhibitor is responsible for the handling, labelling, collection, and reshipment of their materials. All reshipments must be collected on Friday, 27 March 2026, by 19:00.

RESTRICTIONS

- Please observe the height restrictions for exhibition structures (limitations attached).
- Each exhibitor is responsible for ensuring adequate insurance coverage.
- No on-site support staff or forklift will be available for set-up or dismantling.
- Posting posters or other materials on hall walls or doors is not permitted.

Graphic materials may be posted only on exhibition stand panels and exclusively with high-quality, residue-free adhesive tape. All materials must be removed after the congress and taken away or disposed of in the designated area in the First Foyer (-1). Any materials left on the panels will be removed and charged at EUR 40 net per m².

All exhibitors must comply with the venue's General Terms for Exhibitors, which are attached to this handout.

YOUR (FREE) REGISTRATIONS

All exhibition packages include a certain number of free registrations. The company contact person received the respective number of individual tokens so that you/your staff can take care of their individual, complimentary registration(-s) online.

Additional exhibitor staff can be either registered online via <https://www.esmi-insight.eu/emim2026/conreg/registration/> for the reduced „additional exhibitor“ fee or alternatively you can request tokens for chargeable registrations via registration@esmi-insight.eu. It is recommended to book fully-refundable travel arrangements. The ESMI can not be made liable for any related costs.

ADDITIONAL ORDERS

See right hand side for recommended contacts for catering, booth or AV equipment, and furniture. All orders and respective arrangements are in the responsibility of the ordering company. The ESMI provides beverages all day long as well as food during the dedicated breaks. Attendees would certainly appreciate coffee machines at your booth!
