

Program Schedule Wednesday, September 5

	Liffey Meeting Rm. 2	Liffey Hall 1	Wicklow Hall 1	Liffey Hall 2	Wicklow Hall 2	The Auditorium	
07:45 - 10:15	Spotlight Session: Nanotechnology in Diagnostic Monitoring and Treatment of Cancer Advanced in Molecular Imaging (Special Registration Required) (08:30 - 14:45)	Spotlight Session: ESR and ESMOFIR (08:00 - 09:30)	Educational Session 1: Chemistry of Contrast Media - Basics (07:45 - 08:45)	Educational Session 2: What Life Scientists Should Know About Imaging Modalities - Optical Imaging, Ultrasound, Photoacoustics	Educational Session 3: Post-processing & Cross Validation - Modeling & Quantification	Educational Session 4: Biology & Pathology - Cardiovascular (07:45 - 09:15)	
			Educational Session 5: Chemistry of Contrast Media - Biologicals (08:45 - 10:15)			Educational Session 6: Biology & Pathology - Systems Biology and Its Link to MI (09:15 - 10:15)	
10:15 - 10:45		Coffee Break (2nd Floor Corridor)					
10:45 - 12:15				Educational Session 7: Chemistry of Contrast Media - Small Molecules	Educational Session 8: What Life Scientists Should Know About Imaging Modalities - MR Fundamentals for Life Scientists	Educational Session 9: Post-processing & Cross Validation - Basics of Image Processing	Educational Session 10: Biology & Pathology - Cancer
12:15 - 13:45		Industry Workshop: Bioscan - New Developments in Multimodality In-Vivo Tomography: BioFLECT™ and BioSONIC™ (12:00 - 13:45)	Lunch Break: Please Visit Concessions (2nd Floor Corridor)				
13:45 - 15:15			Educational Session 11: Chemistry of Contrast Media - Particles & Polymers	Educational Session 12: What Life Scientists Should Know About Imaging Modalities - Nuclear Imaging	Educational Session 13: Post-processing & Cross Validation - New Imaging Tools: Cerenkov Luminescence Imaging	Educational Session 14: Biology & Pathology - CNS	
15:15 - 16:00			Meet the Experts: Chemistry of Contrast Media	Meet the Experts: What Life Scientists Should Know About Imaging Modalities	Meet the Experts: Post-processing & Cross Validation	Meet the Experts: Biology & Pathology	
16:00 - 17:00	Opening Ceremony						
17:00 - 18:00	Plenary Session 1: Gold Medal Presentation						
18:00 - 19:00	Poster Session 1 (The Liffey)						
19:00 - 21:00	Opening Reception (The Forum)						

Program Schedule

Program Schedule Thursday, September 6

	Liffey Meeting Rm. 2	Liffey Hall 1	Wicklow Hall 1	Liffey Hall 2	Wicklow Hall 2	The Auditorium
07:30 - 09:00		Industry Workshop: Mediso Medical Imaging - From PET/CT to SPECT/MRI: the NanoScan® Family			Industry Workshop: Siemens - Empowering Translational Research and Drug Discovery with Inveon Preclinical Imaging Solutions	
09:00 - 09:45	Plenary Session 2: Juhani Knuuti					
09:45 - 10:30	Coffee Break & Visit the Industry Exhibits (The Forum)					
10:30 - 12:00	Late Breaking Abstract Session	Scientific Session 1: Chemistry & Probes - MRI	Scientific Session 2: Technology & Software - Optical Imaging	Scientific Session 3: Preclinical In Vivo - Metabolic Disease	Scientific Session 4: Translational & Clinical - Oncology	Scientific Session 5: Preclinical In Vivo - Oncology
12:00 - 13:00	Lunch Break & Visit the Industry Exhibits (The Forum)					
13:00 - 14:30		Scientific Session 6: Chemistry & Probes - Multimodal	Scientific Session 7: Technology & Software - PET/SPECT	Scientific Session 8: Stem Cell, Immune Cell, and Reporter Genes	Scientific Session 9: Preclinical In Vivo - Neurology	Scientific Session 10: Preclinical In Vivo - Oncology
14:30 - 15:15	Coffee Break & Visit the Industry Exhibits (The Forum)		Spotlight Session: RSNA - Tossing Optical Imaging Over the Transom: Gaining Clinical Acceptance in Early Cancer Detection (14:45 - 16:15)	Coffee Break & Visit the Industry Exhibits (The Forum)		
15:15 - 16:45	Poster Session 2 (The Liffey)			Poster Session 2 (The Liffey)		
16:45 - 17:45	Plenary Session 3: Rakesh Jain					
17:45 - 19:30		Industry Workshop: Bruker - An Eye on the Future of Imaging: Multi Modalities for Molecular Imaging (18:00 - 19:30)				

Program Schedule

Friday, September 7

	Liffey Meeting Rm. 2	Liffey Hall 1	Wicklow Hall 1	Liffey Hall 2	Wicklow Hall 2	The Auditorium
07:30 - 9:00		Spotlight Session: An Update on True Multi-parametric Imaging with Combined PET/MR		Spotlight Session: IAEA		
09:00 - 09:45	Plenary Session 4: Ron Heeren					
09:45 - 10:30	Coffee Break & Visit the Industry Exhibits (The Forum)					
10:30 - 12:00		Scientific Session 11: Chemistry & Probes - Optical Imaging	Scientific Session 12: Technology & Software - Ultrasound	Scientific Session 13: Preclinical in Vivo - Metabolic Disease	Scientific Session 14: Translational & Clinical - Oncology	Scientific Session 15: Preclinical In Vivo - Oncology
12:00 - 13:00	Lunch Break & Visit the Industry Exhibits (The Forum)					
13:00 - 14:30		Scientific Session 16: Chemistry & Probes - MRI	Scientific Session 17: Technology & Software - Hybrid Multimodality	Scientific Session 18: Preclinical In Vivo/Translational & Clinical - Inflammation/Immunology	Scientific Session 19: Translational & Clinical - Neurology	Scientific Session 20: Preclinical In Vivo - Oncology
14:30 - 15:15	Coffee Break & Visit the Industry Exhibits (The Forum)		ESMI Membership Meeting (14:30 - 15:00)	Coffee Break & Visit the Industry Exhibits (The Forum)		
15:15 - 16:45	Poster Session 3 (The Liffey)					
16:45 - 18:15	Plenary Session 5: Satoshi Minoshima & Adrian Nunn					
18:15 - 19:45						Spotlight Session: Perkin Elmer President - Translational Imaging Impacting Personalized Health-An Academic and Industry Partnership (18:15 - 19:45)

**Program Schedule
Saturday, September 8**

	Liffey Meeting Rm. 1	Liffey Hall 1	Wicklow Hall 1	Liffey Hall 2	Wicklow Hall 2	The Auditorium
07:00 - 08:00		WMIS Member Meeting				
08:00 - 09:00	Exhibitor Breakfast		Spotlight Session: Funding Opportunities in Europe and the USA			
09:00 - 09:45	Plenary Session 6: Michal Neeman					
09:45 - 10:30	Coffee Break & Visit the Industry Exhibits (The Forum)					
10:30 - 12:00		Scientific Session 21: Chemistry & Probes - Nuclear	Scientific Session 22: Preclinical In Vivo/Translational & Clinical - Cardiology	Scientific Session 23: Preclinical In Vivo - Neurology	Scientific Session 24: Translational & Clinical - Oncology	Scientific Session 25: Preclinical In Vivo - Oncology
12:00 - 13:00	Lunch Break & Visit the Industry Exhibits (The Forum)					
13:00 - 14:30		Scientific Session 26: Chemistry & Probes - Multimodal	Scientific Session 27: Preclinical In Vivo - Infectious Disease	Scientific Session 28: Preclinical In Vivo - Oncology	Scientific Session 29: CT/US: Technology Methodology - Probes	Scientific Session 30: Preclinical In Vivo - Oncology
14:30 - 14:45	Coffee Break (2nd Floor Corridor)					
14:45 - 16:15	Poster Session 4 (The Liffey)	Spotlight Session: Targeted Nanotechnology-Based and Molecular-Genetic Imaging	Poster Session 4 (The Liffey)			
16:15 - 18:00	Plenary Session 7: Highlight Lecture, Poster Awards, and Young Investigator Award Competition					
18:00 - 19:30						
19:30 - On	Gala Event: Guinness Storehouse - Buses depart at 19:00 from CCD
